APE Multilayer piping system

APE Raccorderie

STATEMENT OF KIWA

This technical approval-with-product certificate on the basis of BRL 5610 Plastics piping systems of PE-X/Al intended for heating installations: radiator connections issued on 10/25/2016 by Kiwa, in accordance with the Kiwa Regulation for Certification.

The quality system and the product characteristics belonging to the APE Multilayer piping system are checked periodically and the performance of the APE Multilayer piping system in the application as floor heating is assessed. The basic principles for the assessment are checked periodically.

Based on this Kiwa declares that:

- legitimate confidence exists that the by the holder of the technical approval- with-product certificate delivered APE Multilayer piping system comply with:
 - the technical specifications as laid down in this technical approval-with-product certificate;
 - the product requirements as laid down in this technical approval-with-product certificate, provided that they have been marked the APE Multilayer piping system with the KOMO®-mark in the manner as indicated in this technical approval-with-product certificate;
- the APE Multilayer piping system provides the performances as described in this KOMO technical approval-with-product certificate, provided that:
 - the application conditions and technical specifications as described in this KOMO approval-with-product certificate are met;
 - the manufacturing takes place according to the processing methods as laid down in this technical approval-with-product certificate.

Within the framework of this KOMO technical approval-with-product certificate there is no inspections with regard to the production of other parts of the APE Multilayer piping system or the processing of the APE Multilayer piping system.

This technical-approval-with-product certificate is listed in the overview on the website of Stichting KOMO: www.komo.nl.

Advice: consult www.kiwa.nl in order to ensure that this certificate is still valid.
